A one-day workshop that gives teachers and administrators the **tools** and **strategies** they need to support **student learning** through a highly effective **team process**

**Wednesday August 6, 2014**

8:30 a.m. – 3:30 p.m.

Lunch will be provided.

**Hilton Eugene**

66 East 6th Avenue,  
Eugene, Oregon, 97401

**First-time teams will:**

- ✓ Work through the data team process and see how it supports improved student learning
- ✓ Analyze student work and design a theory of action

**Returning teams will:**

- ✓ Increase capacity by gaining an increased understanding of the process
- ✓ Go deeper by exploring the unit design using multiple standards.

Teams must be accompanied by an administrator, and need to bring their own common formative assessment data.
