

## **Coordinating Federal Programs and Maximizing Federal Funds**

### **Federal Programs Pre-Conference**

**Aug 1<sup>st</sup> (repeated on Aug 2<sup>nd</sup>)**

**2017 Teaching, Learning and Assessment Institute**

---

#### **Description:**

This combined federal programs daylong workshop is designed for federal program coordinators, district and school administrators, and staff. The session will provide information on federal grants (Titles IA, IC, ID, IIA, III, IVA, IVB, VIB, and McKinney-Vento) under the Every Student Succeeds Act (ESSA) with a particular focus on how federal funds can work in a coordinated way to meet identified student needs and support activities that improve outcomes for all students. Participants will learn about changes in federal program requirements under ESSA, planning from a comprehensive needs assessment across programs, what funds can be used to support different activities, and how funds can be used to maximize flexibility and enhance coordination of programs.

**Presenters:** ODE Federal Systems Team - Theresa Richards, Melinda Bessner, Lisa Plumb, Russ Sweet, Dona Bolt, and Taffy Carlisle
