

16:02:55 From Diane Fitzpatrick : If a senior wants to drop a dual-credit course right now, can they do that without a W/F? Refund?

16:03:31 From Katy Wagner : My teachers broke into Distance Learning Work teams to develop implementation plans for each of the six areas identified in the Extended Closure Guidance and created a roll-out that had full staff buy-in and our site council is excited about. Great collaboration in a short period of time with a staff that has had difficulty coming together in the past. HUGE WIN!

16:04:12 From Lori Bogen to COSA(Privately) : When referring to "dual credit" are you specifically discussing college courses taught on high school campuses, or are you including "concurrent course" - high school students taking college classes for credit at both college and high school? Thanks!

16:12:31 From mayra\_gomez : Are colleges still pushing for letter grades AFTER the guidance ODE released this week?

16:12:55 From Katy Wagner : What would you suggest the family/student messaging be if we are providing colleges with a letter grade but are issuing a P on a high school transcript that will not impact GPA?

16:14:06 From Katy Wagner : What I received from PCC today: The guidance from the Governor and Colt Gill of ODE regarding the assigning of Pass / No Pass grades was referring to high school classes and high school grades only. Under normal practices the college class can result in a college grade different from that of the high school class grade. In the best interest of students we are still encouraging that students are awarded a letter grade for their college coursework.

While on the surface the idea of a Pass / No Pass grade on a college transcript may sound preferable, there are potentially very serious negative impacts of Pass / No Pass grades on the transferability of a college course, and on the course's ability to meet a student's college degree requirements.

For those students wishing to change their college grade to Pass / No Pass, despite it not being advised, please contact your dual credit coordinator for guidance to facilitate that process

16:14:16 From Majalisse Tolan : Katey, the short talk we have had was about how they will have a letter grade on their college transcript to take to their future school. Doesn't help GPA but they have understood the reason.

16:16:13 From Veronica Chase : FAQ 49-49. With continued conversations with HECC around Dual Credit, is there discussion about our local colleges who offer dual credit (PCC, MHCC, OIT, PSU) going to P/Incomplete like many colleges around the country right now? That may resolve the grade issue.

ODE will continue to pursue these conversations with the Higher Education Coordinating

Commission. As of April 8, this has not yet been determined.

16:18:07 From Veronica Chase : Thank you, Eric!

16:18:37 From Majalisse Tolan : LCSD is doing the same. Letter grade

college and HS P/N/I.

16:19:18 From Kimie Carroll : Yes, thanks Eric!

16:19:41 From Robin Manning-Vernonia : I thought only the Class of 2020 was receiving N/NP and that the underclassmen are receiving grades still. Is that not correct?

16:20:00 From Veronica Chase : No guidance yet on 9-11.

16:20:11 From Robin Manning-Vernonia : Thanks

16:23:41 From ferro\_johnie : When do you expect us to get that?

16:25:15 From Eric Juenemann : Guidance is drafted and being reviewed by Communications staff. SOON.

16:28:16 From Eric Juenemann : Clarification- Dual Credit Q&A guidance from HECC coming out soon. This is different from the grades 9-11 guidance referenced on the chat. Sorry if any confusion caused.

16:28:45 From Christina Shanks : Remind us were we will find the FAQ

16:29:22 From Katy Wagner : Does any other school offer BYU

Independent Study? How are you managing the remainder of the year?

16:29:23 From Veronica Chase : Tony's got a plan for that too and if he doesn't speak up, I will :)

16:29:35 From Kim Kellison : We are getting ready to give kids locker items by alpha curbside.

16:29:38 From Christina Struyk-Bonn : As an online school, can we still offer high school grades to our dual credit high school classes or are we limited to the pass/incomplete/no pass guidance.

16:30:28 From Tony Vicknair : That is McMinnville High Schools plan

16:30:39 From peytonc : I need to switch over to PPS HS admin meeting but PPS will be creating a plan w no more than 10 students in the building at a time. Seniors prioritized. Stay tuned for details re senior check out.

16:30:42 From Julie Kasper : Locker clean out: We are using a google form for parents and kids to request items. Classified staff are bagging personal items and we will have a drive thru pick up opportunity organized by grade level and alphabet.

16:34:18 From Tony Vicknair : McMinnville HS has passed out nearly 600 chromebooks

16:34:42 From Kimie Carroll : Will all this info. that everyone is sharing be shared out somehow?

16:35:05 From Joe Hosang : I think the more difficult question is how to collect materials

16:35:25 From Katy Wagner : We are doing a no-cost Chromebook checkout for all students tomorrow district-wide that is reservation-based at the HS. We will plan drive-thru locker clean out with volunteer staff bagging belongings next week

16:35:38 From Pandie Anderson : Yes. COSA is filming as well as creating a transcript of the chat.

16:36:10 From Pandie Anderson : That's recording, not filming!

16:36:30 From beans : Same at Molalla High. Drive by pick up.

16:38:40 From Veronica Chase : Letting things sit out for days is our plan so far.

16:38:56 From Greg Chapman : A agree Joe, much more concerned with getting materials back

16:39:17 From Kim Kellison : The American Library Association has great information on sanitized books etc.

16:40:20 From Katy Wagner : St. Helens staff are allowed into the building to get belongings or work as long as they follow social distancing

16:40:23 From LJackson : Only those retiring or leaving will be allowed in. That will be done by an appointment.

16:40:38 From Kevin Taylor : We are having a second chrome book pickup day tomorrow. Drive by with stations. For the whole district. Scheduled by grades or level.

16:41:14 From Greg Chapman : Oakridge staff coordinates with building principals before coming in to be sure social distancing is followed.

16:41:47 From Veronica Chase : YES!

16:41:49 From Majalise Tolan : THANK YOU FOR DOING THESE! Nice to just get a chance to hear ideas and share out on a topic.

16:41:53 From ferro\_johnie : What are schools doing for graduation?

16:42:00 From Joe Hosang : Grades, Graduation

16:42:14 From Brett Baxter : How many are trying to push commencement to July or August?

16:42:17 From Katy Wagner : Our superintendent has offered for any high risk staff (diabetes, neurological issues, blood disorders, etc.) to not physically report to work. I only have 2 custodians now due to that..

16:42:19 From Majalise Tolan : Special Education.

16:42:37 From Julie Kasper : Graduation: Jostens, OASC, etc. provided some great resources!!!

16:42:37 From Nathan : Forecasting and Graduation are my top two.

16:42:41 From Joe Hosang : And will the big schools stop doing these really cool videos. You're making us little guys look bad

16:42:49 From Greg : Commencement ideas.

16:42:55 From beans : Graduation is a big one. Thank goodness, we got forecasting done early by some miracle. Graduation. And then, requirements for upcoming classes, 2021, 22, 23.

16:43:03 From Katy Wagner : Our student leadership is brainstorming creative virtual ideas and hoping to keep the same date so students can use their grad announcements. Jostens is offering to provide them with an insert

16:43:04 From Kevin Taylor : Yes, Graduation and celebration. How about NHS selection and induction?

16:43:04 From LJackson : 9-11 Grades. Online classes and level of completion for credit. If onsite classes were awarded credit at 7-9 weeks, what about the online classes? Graduation ideas would be great to hear as well.

16:43:04 From Brett Baxter : NCAA is telling parents that Pass grades are equivalent to D's. Can someone confirm this definitively?

16:43:07 From Jacob Pence : Thank you for hosting these!!

16:43:11 From Greg Chapman : Celebrating seniors who have now lost Prom, senior trip, baccalaureate, how do we make this year special for them?

16:43:12 From Raya Nichols : It would be helpful to hear from Tony

(or anyone else) what solutions they come up with to support the dual credit teacher workload issue.

16:43:21 From Zachary Ramberg : Forecasting.

16:43:22 From beans : Pass grades do not impact GPA.

16:43:33 From Kim Kellison : Classified employees who are essential and are working feel like the pay structure isn't fair. They are working while some employees are at home and still getting paid. Do we have any guidance on this?

16:43:34 From Zachary Ramberg : Thank you for hosting!

16:43:42 From Heidi Hermansen : Senior events other than graduation, awards banquets, scholarships being awarded etc.

16:43:57 From Joe Hosang : YES to Heidi

16:44:00 From mcalvert : I would like to go back to the question about dual credit with PSU – has anyone been communicating with Senior Inquiry in particular?

16:44:34 From Pandie Anderson : I'm happy to answer any questions about AP. [pandie.anderson@state.or.us](mailto:pandie.anderson@state.or.us)

16:44:41 From Kevin Taylor : Many of my students are opting out of AP testing.

16:44:49 From Raya Nichols : I am wondering if anyone in this group has insight on how the P/NP might impact Oregon Promise applications. I know we have seniors that were working REALLY hard this semester to get their gpa's up to 2.5, and now those grades won't count. Will there be any flexibility with that program going into the fall since seniors don't even have the chance to earn letter grades if they wanted to.

16:44:55 From Diane Fitzpatrick : Joy Beckett would be the one to ask in the Challenge program

16:45:05 From Joe Hosang : Chris, will you send a Zoom invite again?

16:45:51 From LJackson : Kris: Thank you for hosting. It was nice to hear insights.

16:46:46 From Raya Nichols : I have been in contact with PSU for the Hillsboro School District, but I am still waiting for answers around their drop policy. I was told students would still get a W for first semester and then nothing for second semester. They are "talking" with their accounting dept to get me feedback on how students will be charged if they need to withdraw. It has happened fast, but I don't have great answers yet from my contact there.

16:46:48 From ferro\_johnie : Most of ours are still going to take the tests.

16:47:31 From clord : Thank you for hosting this! Forest Grove High School appreciates the information!

16:47:34 From Joe Hosang : Thank You! VERY HELPFUL. Thanks for your leadership

16:47:43 From ferro\_johnie : Thanks!

16:47:45 From Kim : Thank you! This is very helpful!

16:47:47 From Kevin Taylor : Thank you everyone

16:47:56 From COSA : [tvicknair@msd.k12.or.us](mailto:tvicknair@msd.k12.or.us)

16:48:03 From Tony Vicknair : Thanks Kris. Great venue

16:48:04 From Josh Jannusch : Thanks for the information

16:48:09 From Majalise Tolan : Be Well!

16:48:15 From Pandie Anderson to COSA(Privately) : Thanks COSA!
