

Engagement Summit

**For Administrators, Counselors, Teachers, and
Education Organization Leaders Supporting Our Schools**

What Really Matters...Engagement

School Chief Lindsey Capps will share the Oregon Educational priorities. Former School Chief Nancy Golden will present **“Student Engagement: The Key to High School Graduation and Beyond”** sharing her experience in creating a model school where student engagement is at the heart of everything that happens in this school. She will share the journey, the framework for creating a classroom or school environment where students are fully engaged. You will leave with take-aways that can transfer to your unique environment and of course you will be engaged during this presentation.

Registration: \$95
