

## Early Learning Conference

November 17, 2016

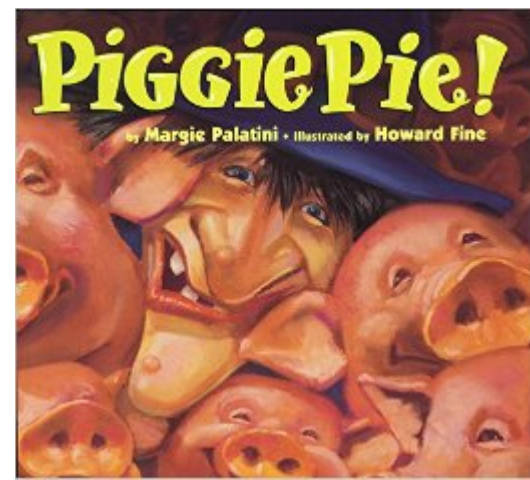

---

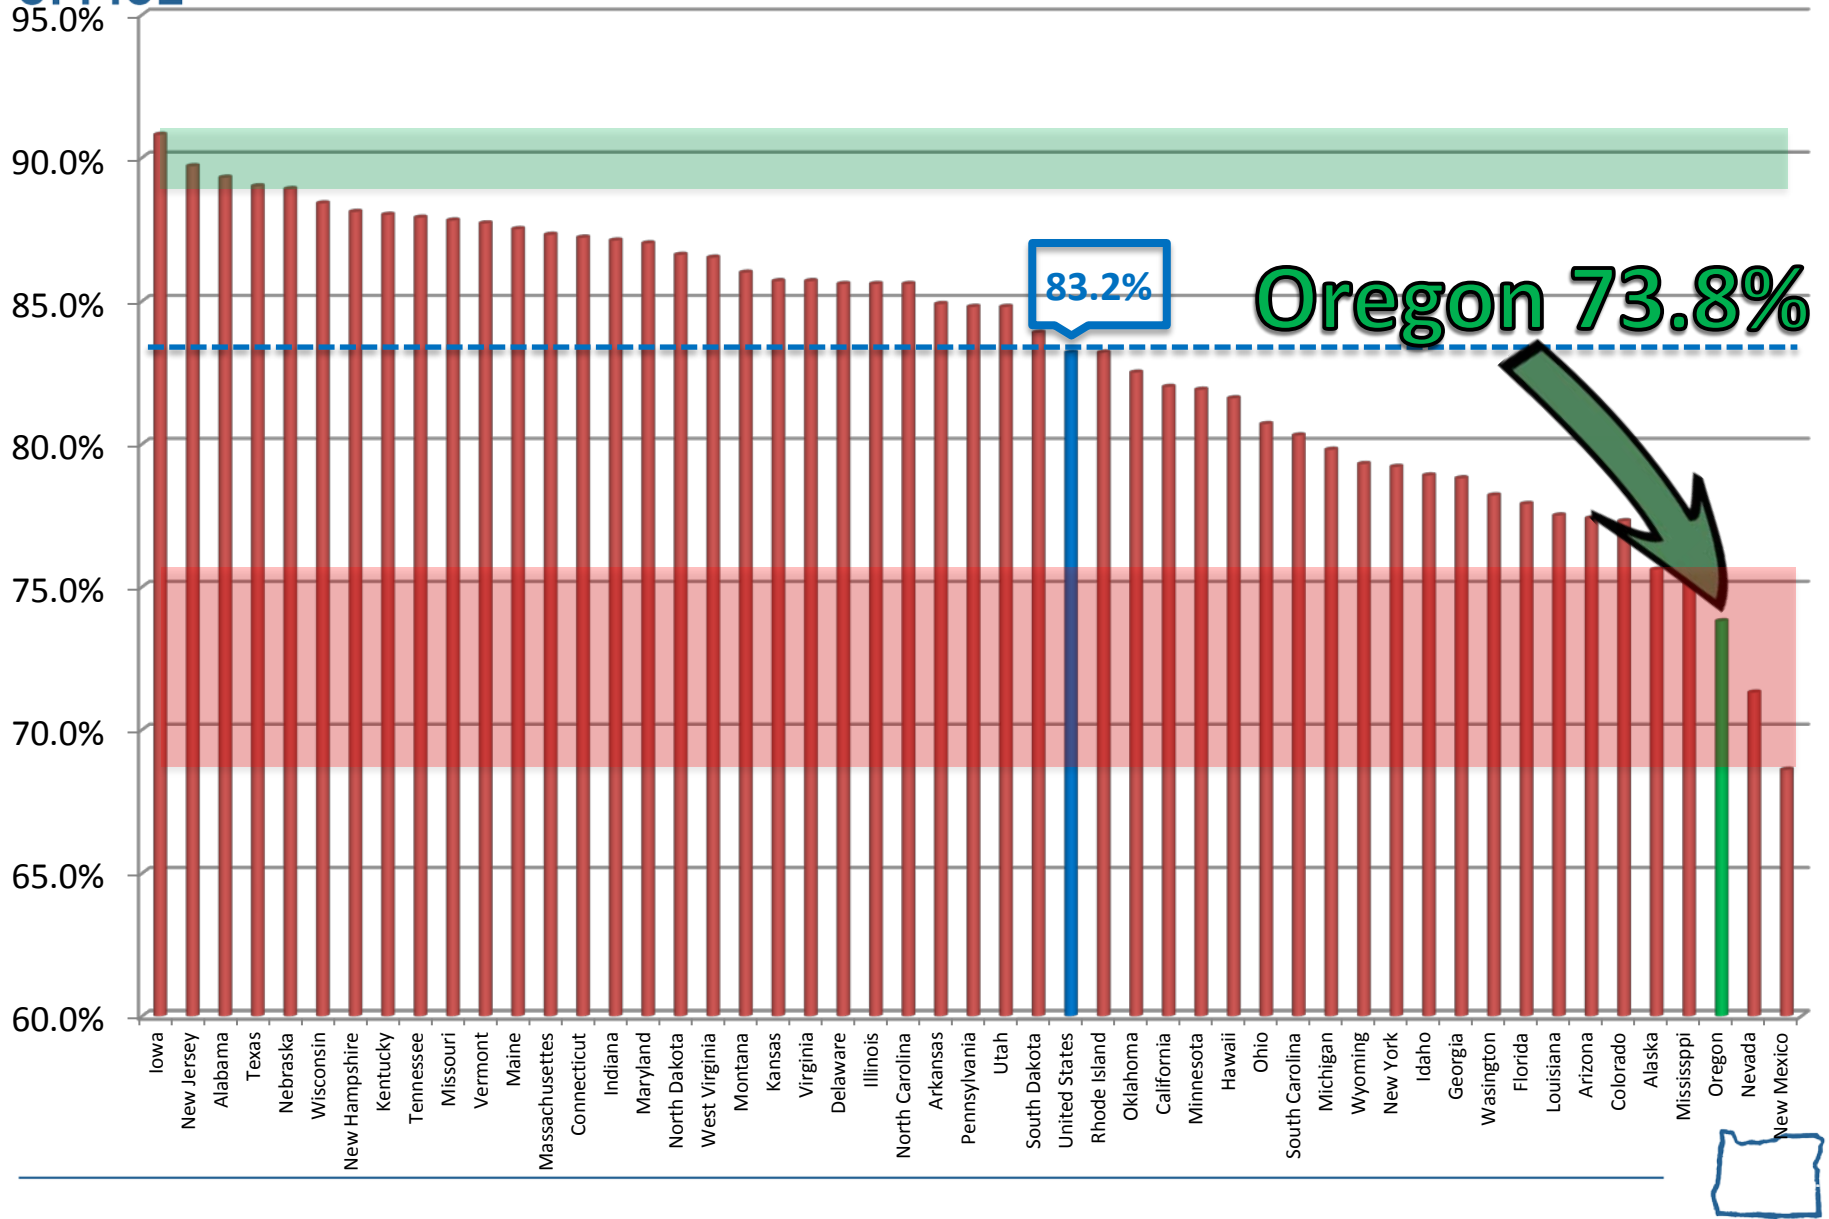

# Problem!

screamed Gritch.  
"I don't have any piggies!  
How can I make Piggie Pie  
without even one puny pink pig?"  
Gritch pulled her hair.  
She stomped her feet.  
She paced the floor.  
She wanted Piggie Pie.  
She wanted Piggie Pie very much!  
"Hmmm," she said,  
tapping the lucky wart on her chin.  
"Now where would I find  
eight plump pigs?"

From the book:

## How Does Oregon Compare?

# 150,000 Reasons that a Focus on Graduation Matters...

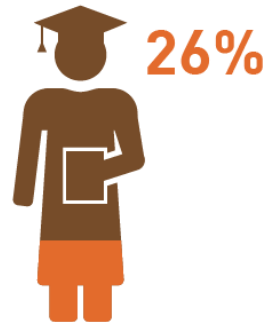

**~12,000 students per grade level X 13 years = 156,000.** The number of students currently in our schools who will not graduate on-time, cumulatively, if we collectively do nothing to change current trends.

**13 Years**

**11,826** Number of students that did not graduate on time in 2015.

These 11,826 students are disproportionately students of color, male and/or in poverty.

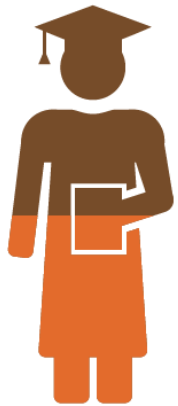

Time our education system has to prepare students for graduation and next steps

# Investing in Equitable Outcomes

## Students Who Did Not Graduate On Time in 2014-2015

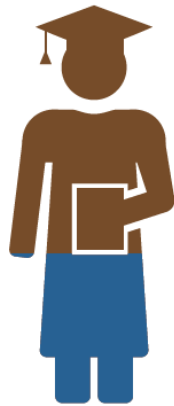

**47%**

Students with  
Disabilities

**45%**

American  
Indian/Alaska  
Native Students

**37%**

Black/African  
American  
Students

**37%**

Native Hawaiian/  
Pacific Islander  
Students

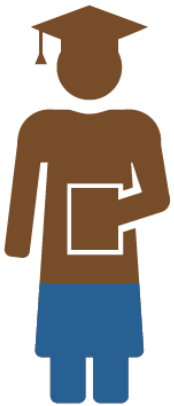

**34%**

Students in  
Poverty

**33%**

Hispanic/  
Latino  
Students

**30%**

Male  
Students

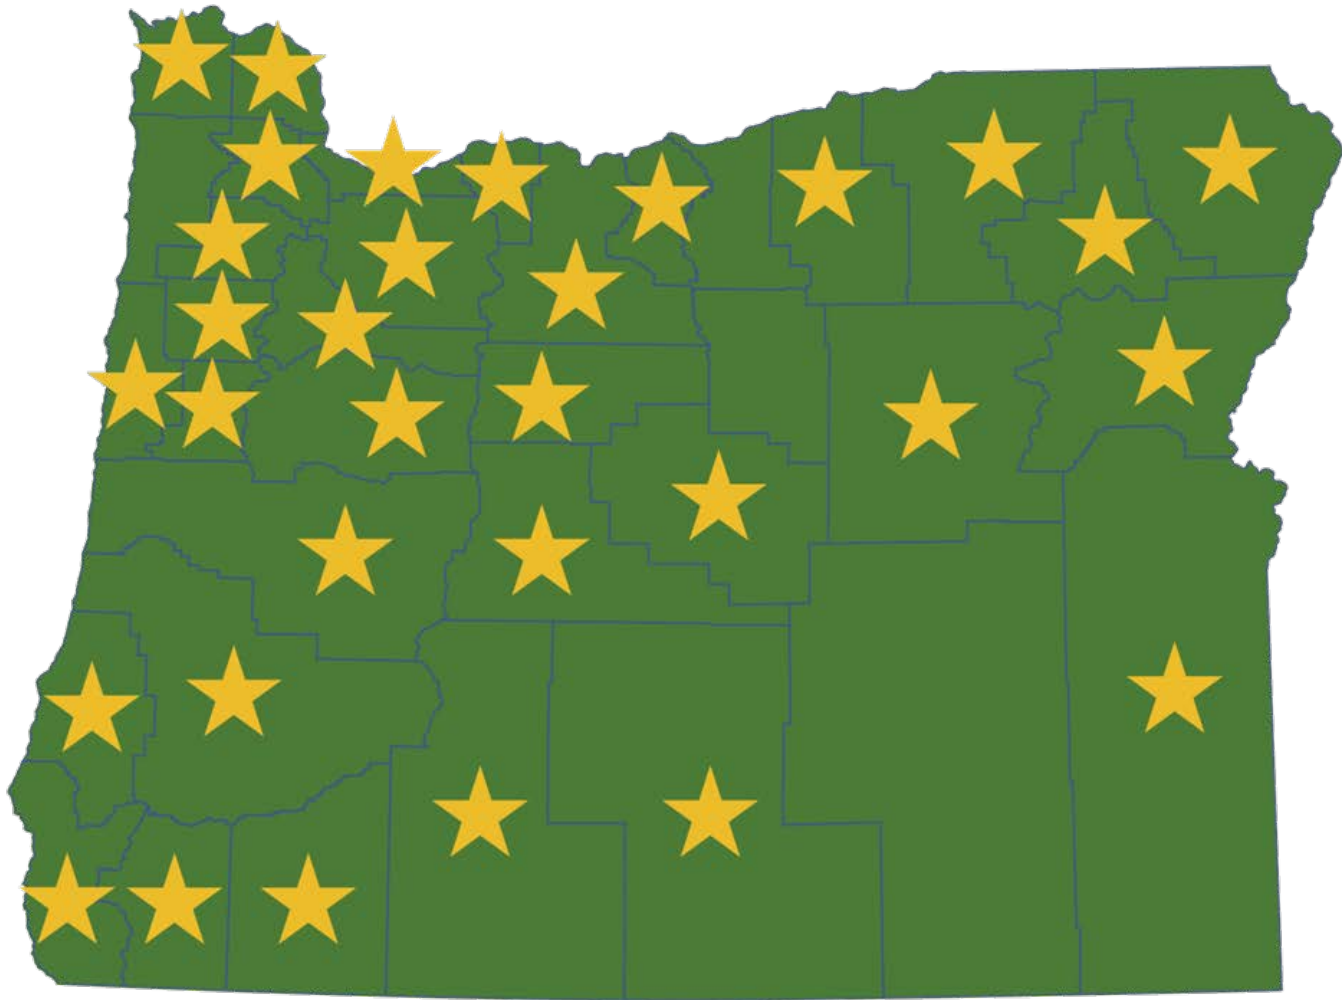

Governor  
**Kate Brown**

## **Governor Brown's Vision:**

*Every Oregon student  
graduates with a plan  
for his or her future.*

# Emerging Themes...

## Equitable Practices and Outcomes

Culturally Specific, Responsive, &  
Sustaining Practices

Diverse Workforce

## Partnerships, Relationships, & Relevance

Family & Student  
Preparedness

Family & Student  
Supports

Family & Student  
Engagement
