16:20:12 From COSA Zoom 2 : Thanks Sara

16:20:18 From Jared Tesch/Sunridge MS (Pendleton) : We forecasted using Google Forms. (Though admittedly we have been doing it that way for a couple years now.)

16:24:02 From 2A Morgan Cottle RRSD Principal : It seems like the "drive in" model does not hold to the 25 person limit.

16:24:35 From 2A Morgan Cottle RRSD Principal : Large parking lot, parking separately, introducing teachers like a drive-in movie style

16:25:09 From COSA Zoom 2 : Thought...at the middle level, could teachers "loop up" with their kids for the first 9 weeks to help the transition, assuming we continue with distance learning.

16:26:42 From Majalise Tolan OASSA : Interesting idea, something that might be possible now because of virtual/distance learning that we wouldn't have been able to do before.

16:26:58 From Sara OASC/COSA : <https://drive.google.com/file/d/1yaT2eFzKUAD5-bwsbuaaekPxVozZxUEp/view?usp=sharing> Virtual Assembly Tips

16:29:20 From COSA Zoom 2 : How will middle school staff and high school staff address students who received an incomplete prior to their transition 5 to 6, and 8 to 9, especially in subjects like math?

16:31:40 From Pete Rasmussen : Cascade Junior High is trying to push back our incoming 5th grader activities to August. Hoping to have an Open House (in person or virtually) before school starts. Looking to have a meeting for parents at the same time.

16:32:13 From Barret Sale : Grants Pass SD is utilizing the last week of school for teachers (for us June 8-10) as PD time to plan for the following year in the standards that were missed - especially in math - and how to start the beginning of the school year.

16:32:14 From 2A Morgan Cottle RRSD Principal : Regarding Incompletes in the transitions. How was it handled when those students received an "F" ?

16:36:44 From Amy Fast : In some ways, teacher/student relationships have improved during distance learning (with some staff). I know there are a lot of teachers who are saying that they are learning things about kids that they never knew and kids are opening up in ways they didn't anticipate because its a bit of a "safer" environment in some ways.

16:37:43 From Brian Peerenboom BSD : HS Admin and teachers join 8th grade class Zoom meetings from now until end of school.

16:38:46 From COSA Zoom 2 : Class meetings? Is anyone doing class meetings via a platform like Zoom currently?

16:39:13 From Pete Rasmussen : Is anyone going to try to hold an 8th grade summer school / high school prep for their kids? Virtually?

16:39:32 From Brian Peerenboom BSD : On the first day of school, assuming we are a full return, 5ht and 8th start at previous school to

say goodbye, yearbooks, and tears, then head to their new school for the afternoon.

16:39:40 From Sara OASC/COSA : Hillsboro HS has a Google Classroom for each class set up and is doing class meetings that way and elections too.

16:40:15 From Barb Keeton GBSD : We are doing Google Meets/Hangouts with students in GBSD

16:41:55 From Amy Fast : Thanks for all the great ideas! I have to go run help get my daughter on a zoom. :)

16:41:56 From COSA Zoom 2 to Amy Fast(Privately) : How are you going to communicate the graduation plan to seniors on Friday? Class meeting virtually?

16:42:19 From Amy Fast to COSA Zoom 2(Privately) : Just pushed out the virtual meeting! I can send you the link. :)

16:45:48 From Joe Hosang : The guidance talks about the essential learnings

16:46:39 From 2A Morgan Cottle RRSB Principal : Are we able to issue that " A or B" or do we have to issue a "P"?

16:46:41 From Laurel Smalley - 2A Knappa : Knappa also utilizes Google Meets for class meetings and teacher - student interactions at both HS and MS

16:47:37 From Majalise Tolan OASSA : My understanding is that it is P or I for all.

16:48:13 From 2A Christopher Carmiencke : Is there any talk of turning "I" into a NP that will not impact GPA? Instead of turning it into an F.

16:49:13 From 2A Morgan Cottle RRSB Principal : But aren

16:50:27 From 2A Morgan Cottle RRSB Principal : aren't these opportunities to be creative in meeting those remaining requirements to receive a passing mark?

16:52:14 From Sandra Harris : In talking with our students, and offered to have students start at the middle school and then walk over to the high school, their response was....meh!

16:53:13 From Hilary Brittan Lack : I would super appreciate that MS focus!

16:53:56 From Mayra Gomez : Thank you for all the great ideas!

16:54:54 From COSA Zoom 2 : OK, it's time for topics for next week. Please add to the chat items you'd like to talk about next Thursday.

16:54:58 From Aaron Belloni (Newport Middle) : MS Future Focus: How to get the most out of your schedule, MS Intervention, MS Advisory.

16:55:27 From 2A Christopher Carmiencke : We are exploring using NoteCards in place of yearbook. Students write a Yearbook message to other students and drop them off when they "check out" by returning chromebooks. We will then mail them home!

16:55:43 From Barret Sale : Counseling supports for students in MS to promote positivity and social-emotional supports.

16:55:58 From Hilary Brittan Lack : @Aaron-I like that! (Hilary, McMinnville)

16:56:38 From Majalise Tolan OASSA : Aaron and Barret great ideas.

Thank you!

16:56:42 From Sara OASC/COSA : One final resource for making connections virtually from my friends at Character Strong – great for now and in the fall with transitions. https://drive.google.com/file/d/1Yp87TTP0qaJil6_cg3qz0UojZDuKT1Ku/view?usp=sharing

16:59:31 From Barret Sale : Future-focus planning on PD for staff around technology and distance learning in the event we begin next year similar to March 13 and beyond

16:59:39 From Hilary Brittan Lack : is anyone planning to keep tech in students' hands for the summer?

17:00:14 From Laurel Smalley – 2A Knappa : Thank you everyone
