

16:00:53 From Sara Nilles : From OASC <https://docs.google.com/document/d/1CzE04YPr4HuD4wmtZbDgHuZ6pp8UEjAcbhAn-DaWxvI/edit?usp=sharing>

16:03:38 From COSA : As everyone enters remarks into the chat box, please indicate your school size by level (1A, 2A, 3A, etc.) so that others can reach out to you for follow-up questions.

16:04:10 From Reyna Mattson : You're muted

16:07:23 From 4A - Jacob Pence - Banks HS : What is the link to the Josten's idea?

16:09:25 From COSA : Sara's Highlights...Senior Parade drive through (reach out to city council, police department, start in one location, include DJ, throwing caps, closure for staff as well.

16:10:17 From Kimie Carroll : We are working with Jostens and doing a drive thru announcement, senior gear and caps and gowns in a few weeks.

16:10:37 From Kimie Carroll : ..delivery at the high school, kids stay in cars

16:10:42 From 5A Katy Wagner : so are we.. May 1

16:10:51 From COSA - Astoria - Lynn Jackson : Same as Kimie, having a drive through delivery with Jostens. May 5th

16:10:56 From COSA : Additionally...involve your grad night committee, delivery of cords/take and post pictures, senior (physical) swag bags, possibly pick up at the end of the parade.

16:11:15 From David Nieslanik : We just did the senior drive by to pick up grad orders at Southridge last Friday, it was fantastic. Jostens did a great job, and the kids and staff loved it.

16:11:58 From Kimie Carroll : @David, did you invite teachers to be there? We were just going to have counselors and admin. there

16:12:34 From 6A Ryan Thompson Grants Pass HS : Question to pose for everyone (later in meeting) how many schools are considering postponing their normal graduation ceremony for later in the summer- (following state protocols for gatherings at that time)

16:12:44 From 6ApeytonchapmanPPS : We are trying to create a day in late May for Senior Check out, Yearbook pick up, senior t-shirt and cap and gown remaining distribution before the virtual or in person graduation. Pre-grad "bundling of processes and physical pickup and return of books. Our community has a strong preference for in person delayed ceremony.

16:12:58 From COSA : Additionally, set stage and one family at a time receives their diploma,

16:12:58 From 5A - Lee W. Loving - Ridgeview : Anyone else holding out hope for a modified live ceremony in late summer or early fall?

16:13:20 From 6ApeytonchapmanPPS : PPS is working to select late July/early August dates for in person

16:13:24 From David Nieslanik : We did not necessarily invite staff but they showed up on their own, they social distanced and made home-made signs.

16:13:25 From COSA Majalise Tolan : LCSD will have a graduation. Not changing date..yet, but will be working on back-ups if we get more information.

16:13:27 From 5A Katy Wagner : We are polling students/families for interest in holding a live event in June or July 2021

16:13:33 From 2A Cathy Emmert : We are definitely leaning toward a postponement of the ceremony

16:13:36 From 3A Adam Watkins - Creswell : Does anyone have a letter template for completion notification to students and families

16:13:39 From Kimie Carroll : If we can't do it June 5th, we have a date of July 17th saved

16:13:42 From Kevin Taylor : We are looking at Aug 1st

16:13:52 From lockett\_wade : We have kicked that idea around. Along with several others

16:14:06 From 5A - Lee W. Loving - Ridgeview : Redmond is working toward still having a LIVE ceremony outside.

16:14:10 From Kevin Taylor : Virtual if that doesn't work

16:14:11 From David Nieslanik : BSD is looking at third week of July.

16:14:11 From Kimie Carroll : We chose July 17th because college athletes usually leave the last week of July

16:14:22 From 4A - Jacob Pence - Banks HS : We still plan on having a postponed graduation. Some students not available though.

16:14:27 From 4A Sandy Yazzie : we talked about having a "drive in theater" type graduation. Where families come in cars to an area...nobody leaves the cars..and we have video of the speakers and then do a parade in the cars where the kids can get their diploma...and drive by all our teachers.

16:14:30 From OASC Sara Nilles : Josten's Flyer <https://drive.google.com/file/d/1A5baZHpCyJBsE0LPXt2YJrI02hlCFUY/view?usp=sharing>

16:14:36 From 6A Stacy Erickson : Oregon City HS is hoping to postpone to late July

16:14:37 From 4A Sandy Yazzie : and no...we did not talk about postponing it.

16:14:46 From 4A Brett Baxter : We have taken lots of feedback from seniors who've told us they simply won't be around in July and August. They are clearly not wanting to postpone. Lots of kids gone to jobs, military, college, etc.

16:14:56 From 6A Ryan Thompson Grants Pass HS : We are surveying seniors and senior parents to get "last dates" seniors will be around- to find the latest date we can

16:15:01 From COSA Majalise Tolan : Good point, Kimie. We have gotten questions about students leaving for military? Parents or family accept diploma?

16:15:03 From 5A Christa Schmeder : Is there any concern about a postponed graduation turns into no graduation if we are not back in school in the fall? If we have to cancel a postponed again we are taking away one more thing? A postponed graduation could turn into a fizzle into nothing for them. Heartbreaking. :(

16:15:17 From 1A Dan Dugan--Perrydale : Perrydale is looking to postpone to summer if needed. The kids voted to do it together if possible

16:15:42 From Kim Kellison : We haven't made a decision yet. We

talked about virtual or postponing until summer, but we are waiting it out for now.

16:16:24 From 6A Brian Bailey : Same concerns as 5A Christa Schmeder here in TTSD

16:16:28 From Aaron Cooke SOESD/ODLC : Is anyone considering having families wear masks?

16:16:44 From 5A Katy Wagner : ours is planning a virtual for this year and then possibly planning a special live event for a 1 year reunion

16:17:19 From Kimie Carroll : @Katy - we have thought about that one year reunion sort of gig also

16:17:47 From David Nieslanik : @Katy, this is an interesting idea. We have not thought of this idea.

16:17:51 From 4A Joe Hosang : We just don't think anything past June 30th will be very effective. Seniors will be moving on. But we are thinking about the one year reunion

16:18:06 From 6ApeytonchapmanPPS : Love the 1 year or December 20th reunion for this class Katy!

16:18:42 From 5A Christa Schmeder : Thanks for all these ideas and comments. Is there any information about if we legally can have a drive in or parade, considering drive ins are considered non essential and have been closed by K. Brown. It would just be a bummer to plan a great alternative event and then get huge fine or be told we aren't allowed. Does that Q make sense?

16:19:30 From OASC Sara Nilles : Herff Jones Flyer [https://docs.google.com/document/d/1xuHABbhSzwFiFM\\_k0WqJFsDg0JfghbtmULi9PGymf7Y/edit?usp=sharing](https://docs.google.com/document/d/1xuHABbhSzwFiFM_k0WqJFsDg0JfghbtmULi9PGymf7Y/edit?usp=sharing)

16:20:29 From 5A Katy Wagner : the city where i live in had a small elementary principal parade get shut down because there was a loud complaint by a community member... there definitely needs to be clear communication to the entire community and support from the city leadership and police

16:21:17 From 2A Ryan Gerry : students on campus?

16:21:25 From beans : That would be EXTREMELY helpful.

16:21:31 From 5A Christa Schmeder : LOVE that idea.

16:22:10 From Amy Fast : Great idea

16:23:04 From SOESD Jessie DuBose : I have heard of recent funerals that have been held in these types of ways. Those received permits or permission from local authorities. Perhaps there can be a simliar approach?

16:24:20 From OASC Sara Nilles : Umatilla has partnered with their city and even will have Fireworks

16:25:11 From 6ApeytonchapmanPPS : Cap & Gown Blood Drive is also very cool!

16:25:45 From COSA : Senior Yard Sign...very cool idea!

16:25:47 From Kimie Carroll : We are doing yard signs too for all seniors...@Katy we got them way cheaper...

16:26:05 From Kimie Carroll : Staff are volunteering to help put them in all seniors yards on same day

16:26:19 From 2A Ryan Gerry : yard signs-Supercheapsigns.com

16:26:20 From COSA : I bet local realtors would support yard signs.  
16:26:21 From 6A Ryan Thompson Grants Pass HS : Our District Print Shop can make 11 x 17 laminated signs for each senior for .90 cents each. If you have a district print shop, a cost effective way to celebrate seniors?  
16:26:26 From 4A Sandy Yazzie : We had ideas of getting signs for all our kids, and putting them in order on the football field...and making a virtual graduation with them on their posters in the order they would get diplomas.  
16:26:26 From 6ApeytonchapmanPPS : PPS is looking at school specific yard signs or window signs as well.  
16:26:27 From 0ASC Sara Nilles : I have a collection of pictures of yard signs, street signs, and door decorations from across the country if anyone needs/wants.  
16:26:57 From Kimie Carroll : Our graphic design teacher created ours, personalized it...very cool, with our hashtags  
16:27:01 From deannev : @kimie Where did you get our yard signs? The quote we received was \$100+ per student.  
16:27:03 From 1A Rollie : Sara yes please  
16:27:18 From deannev : I would love to see that @sara  
16:27:35 From 2A Cathy Emmert : We talked to a local business and they sponsored our yard signs!  
16:27:52 From 6A Mark Brown - Newberg : We had a local Realtor sponsor all of the yard signs for our students. Really cool opportunity for community partnerships  
16:27:56 From Kelly : We are working with our PD and FD to help with traffic and leading the parade.  
16:28:25 From 6A Brian Bailey : Tigard Chief has told us she'll do whatever she can: escort, close roads, etc.  
16:29:06 From 4A Sandy Yazzie : we have talked to the PD as well..and they are very supportive  
16:29:18 From 6A Mark Brown - Newberg : I am meeting with our PD, FD, and Mayor next week. They are all being super supportive and want to do whatever they can to support the parade and drive in theatre idea  
16:29:21 From 5A Christa Schmeder : We are seeing if our parade can end at the school and the principal do a gloved handoff of the diplomas to the grads' cars. Assuming we can do the parade.  
16:29:34 From 4A Jodi Elizondo : Yard signs cheap at buildasign.com ... about \$4 a sign, unlimited colors, two sided ... 24 hour turn around and free shipping  
16:30:36 From 2A Cathy Emmert : Our yard signs were purchased from Xtreme Grafx. You can contact them at <http://gowrapit.com/> or call them at 541-926-9727  
16:31:30 From 4A Joe Hosang : Friday Night Lights 2020  
16:31:42 From beans : Friday night lights  
16:32:02 From 4A Sandy Yazzie : we are lighting up our stadium on fridays...and there have been talks of lighting up our K on the hill in town...  
16:32:04 From Kimie Carroll : Virtual assembly  
16:32:09 From Kimie Carroll : We are having on Friday

16:32:09 From 6A Brian Bailey : Instagram highlights and future plans  
16:32:43 From Kelly : Our Stadium is lit up every night at 8:20 for 20 minutes until their graduation date which is 6/4.  
16:32:57 From 5A Katy Wagner : we are also lighting our stadium Friday nights  
16:33:00 From COSA Majalise Tolan : I was thinking it would be neat to light up the stage with a spot light for the drama/theater/band students.  
16:33:28 From 6ApeytonchapmanPPS : Love the names in vinyl idea. Thank you!  
16:34:32 From 5A Christa Schmeder : We are trying a live assembly tomorrow and next week we are doing Live Clue. Staff dressed up giving out clues to kids in Zoom various zoom rooms to solve a crime.  
16:35:15 From 1A Stacey Whaley : Christa- Live Clue? that sounds so cool!  
16:35:16 From COSA : Sandy, speak closer to your mic.  
16:35:55 From OASC Sara Nilles : Gresham High School Virtual Assembly led and initiated by their ASB President about 3 weeks ago now. They've done more since. <https://www.youtube.com/watch?v=Sz8Ic2HRtV4&feature=youtu.be>  
16:36:22 From COSA Majalise Tolan : Can we hear more about the Live Clue?  
16:36:48 From 4A Sandy Yazzie : I don think my connection is good enough..sorry  
16:37:30 From COSA : Lee Loving - 2020 Oregon High School Principal of the Year, Ridgeview High School, Redmond, OR  
16:37:55 From Kimie Carroll : Yes!! Way to go Lee!  
16:38:02 From 6ApeytonchapmanPPS : Love those ideas Lee! Thank you!  
16:39:26 From 1A Dan Dugan--Perrydale : We did the lights on the field with a drone and some fire, and a video online for kids and families. The most meaningful to our families was that we did a "Senior Trip" We did a 30-car caravan of staff and their families to all of our seniors' houses. We are a small school so it was only 21 kids--but it covered 200 miles They just thought it was me dropping off some locker contents. Parents were aware that it would be a few of us. We had handwritten personalized cards to each kid, gift cards, large yard signs, mascot through the sunroof, balloons, and personalized coffee mug. You could add mini-buses, fire department, and/or police to lead or follow.  
16:40:03 From 1A Rollie : we have a reader board that we have congratulated all our seniors and then listed them individually as it scrolls  
16:41:08 From 2A Cathy Emmert : Our grad night committee has organized a "prom cruise" for April 25th, the night our prom was scheduled. Seniors will decorate their cars, dress up, and drive through town. There will be a photographer and a videographer.  
16:41:08 From Kimie Carroll : We are also doing a virtual Decision day, this connects with our Wall of Dreams where we post all senior names and what they are doing after graduation (college, military, work, mission, trade, etc.) and we will post that also on our website

(in addition to our lobby)

16:41:11 From COSA : Taft High School in Lincoln City is doing a great job of posting a senior profile daily (pic, name, future plan, etc.) on social media. I think on Facebook.

16:43:19 From 6A Brian Bailey : How are folks addressing equity for kids/families that don't have cars for a parade, or yards for yard signs, etc.?

16:43:36 From 4A Joe Hosang : Yes!

16:44:30 From 5A Katy Wagner : the equity piece is part of why we are considering signs to post around town, rather than just in yards

16:44:37 From SOESD Jessie DuBose : Also, for car parades or drive-in events, has thought been given to split families (divorced, etc.) that would require more than one car.

16:44:55 From 5A Christa Schmeder : Local rental and retail car places working with us to borrow cars. Good PR for them to.

16:45:32 From Kimie Carroll : We are posting the yard signs also around town and at other schools in the district

16:45:53 From 6A Chris Brida : Preventing virtual burnout

16:46:07 From 4A Joe Hosang : Getting some push back on Pass / Incomplete. Could we hold a percentage in the event that a college or certain scholarship doesn't honor a pass / incomplete?

16:46:09 From 5 A WVHS Kelly Schmidt : Changing the focus to feedback.. versus traditional grading...

16:46:29 From OASC Sara Nilles : @Kimie - then it turns into a fun scavenger hunt to find your sign and get a pic with it.

16:46:29 From 3A Adam Watkins - Creswell : Ideas around 8th graders and traditional transition events for them as incoming 9th graders

16:46:41 From 4A Greg : Concerned about the No Harm Clause that allows a student to get a P while doing nothing during DLFA.

16:46:46 From 6A Ryan Thompson Grants Pass HS : What to do- students/families that choose not to engage/participate in this learning format

16:46:49 From dinseg : Long range planning to address additional closures next fall. What lessons are we learning that we can prevent next time?

16:47:00 From 5A - Lee Loving - Ridgeview : Math and FL are keeping me up at night. I would love an answer to the question: What is the difference between Proficiency and Evidence of Essential Learning? Help please!

16:47:11 From Kelly : How to encourage teacher best practice with the evaluation system on hold for the rest of the year.

16:47:32 From 4A Joe Hosang : Concerned about Math and FL

16:47:38 From SOESD Jessie DuBose : Avoiding virtual and electronic communication burnout

16:47:39 From 4A Brett Baxter : Curriculum compacting to catch up next year. How do we get all the learning in? Lots of standards and finite time.

16:48:04 From 4A Greg : Math, Science and FL

16:48:13 From 5A Katy Wagner : concerned about hands-on CTE programs of study and completion

16:48:21 From 4A Melissa Judson : Any other schools have a GED Option

Program? No way for kids to test and finish with this cohort unless testing sites reopen.

16:48:21 From 2A Laurel Smalley : How do we connect & engage students/families that were already hovering on the outside before DLFA.? How do we catch up students who choose not to participate?

16:48:27 From 4A – Jacob Pence – Banks HS : Staff Appreciation right around the corner :)

16:48:43 From 5 A WVHS Kelly Schmidt : Would love staff appreciation ideas!

16:48:43 From 5A Karilu James Crater : Math, science, fl. Placement for next year. And the 8th grade transition to 9th grade.

16:48:45 From Kimie Carroll : We are not allowed to use video conferencing yet with our students...what are other districts doing?

16:48:47 From 4A Joe Hosang : We've had parents say "teacher appreciation... that's us"

16:48:49 From 1A Stacey Whaley : Virtual burnout! Also, with seniors pretty much "done", how to keep the other students in the house engaged in virtual learning. They want to know why they should keep working when some kids don't have to.

16:48:58 From 2A Laurel Smalley : Preventing teacher burnout

16:49:03 From graden\_blue : Exchange students country not accepting P grades

16:49:05 From 2A Ryan Gerry : Teacher burnout

16:49:06 From Kimie Carroll : Agree, teacher burnout

16:49:25 From Amy Fast : Systems/parameters for completing 9th–11th incompletes next year...since won't know what is incomplete until after forecasting and FTE decisions.

16:49:43 From 6A Mark Brown – Newberg : teacher burnout and teacher/staffulty appreciation might be a nice combination topic

16:49:46 From 5A Karilu James Crater : Yes--how to handle all the incompletes next year. And also the p/np with NCAA.

16:50:01 From 1A Stacey Whaley : Idea that is working for us: Use Google Voice so that teachers can call families without giving up their personal phone numbers.

16:50:18 From Amy Fast : or messaging about students we can't reach getting their P/I based on March 13th date....

16:50:25 From 5A – Lee Loving – Ridgeview : Thank you COSA for this opportunity to hear great ideas and express our concerns. MUCH appreciated!

16:50:36 From 5A Katy Wagner : we are rolling all seniors who complete their credits into a College/Career Google Classroom so we can track who is accessing and provide supports and information

16:50:39 From 4A Sandy Yazzie : our district is using Jabber..it connects with our school phones, so the teachers don have to use their own phones.

16:50:43 From Andrew Gilford : Supporting seniors in college and next steps decisions now that they have "graduated"

16:50:48 From dinseg : Expand burnout to all staff. Some classified are working exceptionally hard..

16:50:52 From 4A Sandy Yazzie : it has issues...but when it works it

is good

16:51:17 From Christopher Carmiencke 2A : Thank you for hosting this meeting and planning more around the struggles we are facing. Much gratitude.

16:51:18 From 5 A WVHS Kelly Schmidt : This has been very helpful! Im a first year HS Principal and parent of a Senior! My first graduations..Thank you!!

16:51:28 From dinseg : What about equity and engaging our underrepresented groups?

16:51:35 From 4A Tim.Roth : THANK YOU!

16:51:37 From 4A Joe Hosang : Thanks Kris and Lynn! Very helpful

16:51:38 From 2A Cathy Emmert : Thank you!!

16:51:45 From 4A Sandy Yazzie : THank you!

16:51:45 From COSA Majalise Tolan : Thank you! Great work, Lynn, Sara, and Kris!

16:51:46 From 4A Melissa Judson : Thank you for all the ideas

16:51:50 From 3A Adam Watkins – Creswell : Thank you all!

16:51:52 From Kimie Carroll : See you next week!!

16:51:54 From 2A Ryan Gerry : thanks

16:51:55 From Amy Fast : Yes, thank you!

16:51:57 From 3A- LCSD Nick lupu : Thank you.

16:51:57 From 1A Rollie : thanks for putting this on

16:51:57 From 1A Dan Dugan--Perrydale : Thank you Lynn

16:52:00 From OASC Sara Nilles : Thank you ALL!!

16:52:00 From 4A Brett Baxter : Thanks, Lynn and Majalise!

16:52:07 From Mairi Scott-Aguirre : thank you all

16:52:08 From Kimie Carroll : Thanks Lynn, Majalise and Peyton!!
