

TRAUMA INFORMED PRACTICE SUMMIT

January 20, 2017 • Embassy Suites by Hilton Portland Airport
An Oregon ASCD Whole Child Summit

More and more children come into classrooms with physical, mental and emotional needs that go far beyond standard educational training. How can we help these children to thrive as learners, and how can we support the adults who strive to teach them?

This summit is an opportunity to bring our health and education partners together to learn about shaping our school systems, community partners, classroom practices, and cultures to create compassionate, versatile, and healthy teaching and learning environments.
