

Trauma Informed Care: *What it is and what it is not*

January 20, 2016

12:30pm-1:45pm

Presenter(s): Mandy Davis, LCSW, PhD

Associate Professor of Practice

Co-Director and Trainer

Trauma Informed Oregon

Portland State University

School of Social Work

Session Description:

To understand the benefits of a trauma informed system it is necessary to understand how trauma impacts individuals and families. Participants will learn about trauma informed care, the impact of trauma and how trauma affects a person's access to services. Participants will begin to identify how service systems, often unknowingly, retraumatize survivors of complex trauma.
