PREAMBLE

This Agreement is made and entered into by and between the Northwest Education Association, hereinafter called the "Association", and the Board of Directors on behalf of the Northwest Regional Education Service District, hereinafter called the "District". The Association is affiliated with the Oregon Education Association and the National Education Association.

ARTICLE 1: RECOGNITION

The District recognizes the Northwest Education Association as the sole and exclusive representative with respect to wages, hours, and conditions of employment for all regular full-time and regular part-time professional employees of the District, excluding supervisors, managers and confidential employees. It is understood that substitutes, temporary employees whose expected term of service is less than 90 contract days, and employees in other bargaining units are also excluded from the bargaining unit. During the term of this Agreement, the District will not negotiate with or recognize any organization other than the Northwest Education Association as the bargaining representative of bargaining unit members, except as may be required under the Public Employee Collective Bargaining Act.

- A. Less than Half-time Employees: Employees employed less than half time shall not be covered by Article 15 (Layoff/Recall), Article 12 (Insurance), or Article 10 (Professional Development). For all employees who are less than full-time, all leave benefits shall be prorated.
- B. Newly Created Positions: In the event the District creates a new position, it shall notify the Association president. Should the parties fail to agree upon the bargaining unit status of the newly created position, either party may petition the Oregon Employment Relations Board for a determination.
- C. Grant-Funded Positions: Persons hired under state or federal grants or funding through programs with other public agencies may be hired as temporary teachers as defined in [ORS 342.815](#) and shall be subject to the conditions of this Agreement to the extent that this Agreement is consistent with requirements established by the originating fund source. Salaries and fringe benefits for these positions will then be negotiated pursuant to [ORS 243.698](#) by the District and the Association within the resources available from the originating fund source.

ARTICLE 2: STATUS OF AGREEMENT

1. This Agreement shall modify or replace any current policies, rules, regulations, procedures, or practices of the District, which are contrary to its terms. This Agreement contains the complete and total agreement between the parties. The District has no obligation to continue any practices or procedures in effect prior to the signing of this Agreement, including practices and procedures in effect before unification, unless they are specifically set forth in this Agreement.
2. This Agreement may be modified in writing when mutually agreeable.
3. There shall be two signed copies of the final Agreement for the purpose of records. One shall be retained by the District and one by the Association.
4. Negotiations for a successor agreement shall commence with notice by either party after December 15, and shall begin no later than April 15, before the expiration of the current agreement. If neither party gives notice of intent to open negotiations within this time frame, the 150-day bargaining period specified by [ORS 243.712](#) shall begin as of April 15.

ARTICLE 3: MANAGEMENT RIGHTS

The District, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself all powers, rights and authority, duties and responsibilities conferred upon and invested in it by the laws and Constitution of the state of Oregon. Such powers, rights, authority, duties, and responsibilities shall include but not be limited to:

1. Executive management and administrative control of the school system and its properties and facilities;
2. Hiring of employees and the determination of qualifications for employment;
3. Assignment of personnel and direction of work;
4. Determination of the number of days of work, starting and ending times, scheduling of work consistent with the specific provisions of this Agreement;
5. Determination of work and business hours and days;
6. Setting the school calendar;
7. Determination of the services, supplies, equipment and methods of operations, including automation and institution of new and/or improved methods of operation;
8. Adoption of reasonable rules and regulations;
9. Determination of the location, relocation, opening or closing of District facilities;
10. Determination of the financial policies and procedures of the District, including accounting and public relations procedures;
11. Determination of the size, configuration and functions of the management of the District;
12. Adoption of policies affecting the selection, testing or training of employees providing such selection shall be based upon lawful criteria.

The exercise of these powers, rights, authority, duties, and responsibilities by the District is limited only by the specific, written terms of this Agreement in conformance with the Constitution and the laws of the State of Oregon.

ARTICLE 4: GRIEVANCE PROCEDURE

A. DEFINITIONS

1. Grievance

"Grievance" is a complaint by a member, group of members or NWEA based upon the interpretation, application, or violation of this Agreement. Grievances that are based solely upon the alleged misapplication of District policies, rules, or regulations affecting the employment conditions of members or based upon an alleged inequitable administrative decision pertaining to employment conditions may be pursued under Board Policy GBM. If a grievance involves allegations of both a contract violation and a violation of policies, rules, or regulations, the combined grievance will be processed in accordance with the procedures of this Article, but only the allegation of a contract violation can be taken to arbitration.

2. Grievant

A "grievant" is a member, group of members, or NWEA making the claim.

3. Party of Interest

A "party of interest" includes the member, group of members, or NWEA making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

4. Days

"Days" shall be the District's workdays, computed based on the program calendar of the aggrieved member (EI/ECSE or NWRES Traditional calendar).

B. PURPOSE

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems that may from time to time arise affecting staff members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. PROCEDURE

1. Time Limits

Grievances must be discussed with the immediate supervisor not later than fifteen (15) days after the occurrence of an alleged violation or misapplication of the agreement, or not later than fifteen (15) days after the grievant had first knowledge or should have known of the occurrence of the District's actions or failure to act which the grievant believes constitutes a violation of contract. Failure to file a grievance within the above time lines shall constitute waiver of the grievance.

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. Upon agreement of the parties, grievance procedures may be conducted during regular District working

hours for Levels One and Two. Level Three shall be considered at regular or special District meetings. All grievances and decisions shall be in writing.

2. Year End Grievances

In the event a grievance is filed at such time that it cannot be processed through all steps in this grievance procedure by the end of the contract year, the District and Association will discuss shortening the time for the grievance steps so that, if possible, the grievance procedure can be completed before the end of the contract year.

3. Level One – Immediate Supervisor

Before filing the written grievance, the grievant must first discuss the matter informally with their immediate supervisor with the objective of resolving the matter informally. The written grievance must be given to the immediate supervisor within ten (10) days following the informal discussion with the immediate supervisor. Failure to file the grievance within that time limit shall constitute a waiver of the grievance. The supervisor will issue a written decision to the grievant within five (5) days after receipt of the written grievance. If the grievant is NWEA, the grievance may start at Level Two if multiple supervisors are involved. If a grievance is filed by NWEA on behalf of one member, the member must give consent for the grievance to be filed on their behalf.

4. Level Two – Superintendent of the District

If the grievant is not satisfied with the disposition of the grievance at Level One, or if no written decision has been rendered within five (5) days, the grievant may appeal in writing to the Superintendent or designee within ten (10) days of filing the written grievance at Level One. The appeal shall include a copy of the decision being appealed and the grounds for regarding the decision as unresolved.

5. Level Three – The Board of Directors

If the grievant is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within five (5) days, the grievance may be appealed to the Board within ten (10) days of the written appeal to the Superintendent at Level 2. The Board shall conduct a hearing within twenty (20) days and shall render a written decision to all parties of interest within five (5) days of the time of the hearing.

6. Level Four – Arbitration

(Limited to grievances regarding the interpretation, application, or violation of this Agreement.)

- a. If the aggrieved person is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within ten (10) days after the District hearing in Level Three, the grievant may request that the Association submit the grievance to arbitration. If the Association elects to do so, it must give the District written notice to initiate arbitration within fifteen (15) days after issuance of the Level Three decision.

- b. Within ten (10) days after such written notice of submission to arbitration, a request for a list of seven arbitrators with residence in Oregon or Washington may be made to the Employment Relations Board by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator so elected shall confer with the representative of the District and the Association and hold hearings promptly and shall issue a decision not later than twenty (20) days from the date of the close of hearings or, if oral hearings have been waived, then from the date of final statements and proofs on the issue submitted. The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall have no power to subtract from, modify, or amend any terms of the Agreement. The arbitrator shall have no power to substitute their discretion for that of the District in any matter not specifically contracted away by the District. The decision of the arbitrator shall be submitted to the District and the Association and shall be final and binding on the parties.
- d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the District and the Association. Any other expenses incurred shall be paid by the party incurring the expense.

D. RIGHTS OF MEMBERS TO REPRESENTATION

1. Member

Any grievant may represent themselves at all stages of the grievance procedure through Step Three, or may be represented by the Association. The grievant must be present at all sessions.

2. Reprisals

Neither party shall take any reprisal against the other party as a result of participation in this grievance procedure.

E. MISCELLANEOUS

1. Records of Grievances

No documents, communications, or records, dealing with the processing of a grievance shall be filed in the personnel file of any of the participants.

2. Meetings and Hearings

All meetings and hearings under this procedure shall be conducted in private and shall include only the parties of interest and their designated or selected representatives. A representative of the Association may be present at all stages of the grievance procedure. For all District scheduled grievance meetings, the administrator shall be flexible to allow attendance by the grievant and an Association representative.

3. Time Extensions and Waivers

By mutual agreement, any time limit under this grievance procedure can be extended or any step can be waived.

ARTICLE 5: ASSOCIATION RIGHTS AND PRIVILEGES

A. INFORMATION

Upon request, the District agrees to furnish to the Association all public information that it has compiled which is necessary for its functioning as exclusive bargaining representative. Upon request, a copy of the budget audit report will be mailed to the Association president within fifteen (15) days after being presented to the Board. Except for material that is available for distribution to the public without cost, the Association is responsible for copying costs. For copying of material that is readily available, the copying charge will be the rate set by Board policy, which covers staff wages for photocopying and routine research, and the cost of materials and equipment. If the copying will require unusual amounts of personnel time to research or assemble material, the District will inform the Association in advance of the additional costs for the personnel time.

B. USE OF SCHOOL EQUIPMENT

The Association shall have the right to use District equipment that is generally available to unit members at their work sites, including computers, duplicating equipment, calculating machines, district e-mail for notification and scheduling of meetings and other types of audio-visual and telecommunications equipment, at reasonable times when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials and supplies incidental to such use and for any repairs necessitated as a result thereof. Other than arranging use of ESD facilities for unit meetings, scheduling and announcing Association meetings and for arranging meetings with District management, the District electronic mail and internet are not to be used for Association business without specific advance approval of the superintendent or designee.

C. USE OF DISTRICT FACILITIES

Facilities in District buildings may be used for Association meetings on normal workdays between 7 a.m. and 10 p.m. during non-duty hours, provided that such meetings shall not interfere with the normal District operations, do not cause additional expense to the District (excluding utility costs), do not create additional security problems and arrangements are made with the appropriate manager in advance. Usage after 5 p.m. must be approved by the Superintendent or designee.

D. BULLETIN BOARDS

Members shall have the use of designated bulletin board space in each service center.

E. SCHOOL BOARD MEETINGS

The Association will have the opportunity to suggest items for the agenda and to speak on those items. The Board will consider such items for placement on the agenda so long

as those matters are made known to the Superintendent's office no later than ten (10) days prior to the scheduled date of the meeting.

F. RELEASED TIME

A member engaged during the school day in negotiating on behalf of the Association or participating in any grievance meeting with any representative of the District shall be released from their regular duties without loss of salary if the District agrees to schedule a negotiation session or grievance meeting during the workday.

G. MAIL FACILITIES AND MAILBOXES

The president and representatives of the Association may use the District mail service and mailboxes for communications of a routine nature. Such communications shall not, as determined by the administrator in charge of the building or department in question, disrupt the educational process, cause unlawful activities, or interfere with the authority of the District or administration. The administrator may require that particular notice or communications not be available to students, the public, or employees of the District who are not in the bargaining unit. The Association shall hold the District harmless and shall defend the District against all charges and complaints arising out of the Association's use of District mail services and mailboxes.

H. BOARD MEETING PACKET

A copy of the Board meeting packet, including revisions, exclusive of confidential materials, shall be made available to the Association president the same day the materials are made available to the Board. Included will be information regarding any proposal to act on new or revised policies affecting members in the unit.

The association president shall receive notice that the board agenda is complete and posted on the website.

I. ASSOCIATION BUSINESS

The District agrees to release the Association President from regular duties without loss of salary for the equivalent of two days per month on a schedule that is mutually agreeable to the District and the Association. Upon request of the Association, other Association Officers may be granted access to this leave, with the approval of the District. The District's approval shall not be unreasonably withheld. The cost of a substitute will be shared by the Association and the District. This release time shall be for the purpose of contract administration and maintenance, including handling grievances and negotiations related duties. The District will provide a convenient office space, phone accessibility, and mail pickup and delivery during scheduled office hours for the Association President. The District will provide office space in either the Washington service center or the President's closest service center with a phone and mail pickup and delivery during scheduled office hours.

ARTICLE 6: WORKING CONDITIONS

A. LABOR MANAGEMENT COMMITTEE

Representatives of NWEA and NWRESD Administration shall form a joint Labor-Management Committee to encourage labor-management cooperation. The Committee will meet regularly to create opportunities for resolving problems identified by either side, and to provide a forum for communication, to track issues, gather and exchange relevant information, research concerns, engage in joint problem-solving, and to accept responsibility for follow through. The committee shall be formed no later than September 30 annually, with each party appointing an equal number of members. The Committee shall meet monthly at a mutually agreed upon time. Agenda items shall be identified in advance of the meeting for the purpose of planning and to aid in early response to concerns. The Committee may invite representatives from either side to attend the regularly scheduled meeting when they have relevant information related to an item on the agenda for the purpose of furthering understanding and problem-solving. The Labor Management Committee may elect to form an Ad Hoc Committee, limited to a specific topic, for further research, discovery, and problem solving related to a concern. The Ad Hoc Committee shall bring their findings and suggestions back to the Labor Management Team.

B. PLANNING AND PREPARATION TIME

1. Planning and preparation time is time during the work day for instructional planning and preparation for the individual member's professional assignment. The member and the Department Director shall determine and schedule the amount of time necessary for prep time. NWRESD will annually review with all Administrators the contractual requirements associated with prep time. Labor/Management committee will include prep time as an agenda item at least two times per school- year for review of any concerns raised by members.
2. Members, either individually for those with unique assignments, or in groups of members with like assignments, will meet with the direct supervisor to establish appropriate preparation time. The administration will initiate and schedule the meetings required in this paragraph. The meetings will take place by the end of September of each year and also after a schedule change or reassignment. Any member who is not able to resolve to their satisfaction the scheduling of preparation time may appeal the matter to the Chief Human Resources Officer, who will meet with the supervisor and employee to hear and resolve the matter. Unless the member and supervisor agree to a different schedule, a full-time member will have a minimum of 300 minutes per five-day week of prep time during the regular eight-hour day. Reasonable efforts will be made to schedule prep time in blocks of at least thirty (30) minutes. For staff who work in ECSE and teach classes at early childhood centers, reasonable efforts will be made to not include the 15 minutes before a class begins and 15 minutes after a class ends as prep/planning time because of duty assignments related to the supervision of and assistance with students who are arriving/departing

via parent or bus transportation.

3. Scheduled preparation time will, except in unusual or emergency situations, not be scheduled by the supervisor for meetings or other duties, except with the member's agreement. A member may make a request to the supervisor for release time or other assistance if the member feels that IEP/IFSP preparation or required meetings are unreasonably infringing on preparation time or causing excessive meetings outside the workday.
4. If a member believes that the workload assigned is unreasonable or unmanageable, or cannot be accomplished during the work day, the member may request a meeting with the supervisor to try to resolve the issue. If resolution is not reached through this meeting, the member may request a meeting with the Chief Human Resources Officer. The member has the right to Association representation for these meetings.
5. If a member is asked to teach a class for an absent member, they will be additionally compensated for time spent teaching the class at the hourly substitute rate. In the event a member is on an extended leave, reasonable efforts will be made to get a long term substitute for the position. When a member is asked to substitute for a colleague's class on a long term basis, which is defined for the purposes of this article as two weeks or greater, then the member will be additionally paid for actual time spent teaching the class at the long-term hourly substitute rate. The rate of pay for the long term substitute assignment will begin on the first day of the long term assignment.

C. WORK YEAR

1. The normal contract year shall consist of 190 days, including seven (7) paid holidays (Labor Day, Veterans Day, Thanksgiving, Christmas, New Year's Day, Martin Luther King, Jr. Day, and Memorial Day). However, depending on District needs, teaching positions may be created for fewer or more days per year, with salary determined on a pro-rata basis. An employee is not guaranteed the same number of contractual work days from one year to the next.
2. The salary schedule in Appendix A is based on a 190 day work year.
3. In the event that a constituent district to which a member is assigned is not open for, or reduces its calendar below 185 contract days, the number of contract days of any member assigned to the constituent district may be reduced by the same number of days the constituent district reduces its calendar below 185 contract days. Compensation will be prorated accordingly. This article does not affect the District's right to lay off members. In the event that the number of contract days for a member is reduced by more than thirty (30) days pursuant to this provision, effective on the thirty-first (31st) day, the member shall come under the provisions of the Article on layoff. Whenever possible, a member whose days are reduced by a constituent district's schedule shall be temporarily assigned to a vacant position or program in which there is a need to have work performed.

4. If the District intends to implement a work year for a program which departs significantly from the traditional work year, it will notify the Association in advance and will engage in a collaborative discussion process with the Association and affected employees about the reasons for the change and the impact on the employees.
5. Variations in individual schedules shall be determined by the supervisor in conjunction with the member. Except for unavoidable emergency situations when conflicts exist between required meetings of local school districts and ESD meetings, the school district's meeting will take precedence.
6. Members shall not report to work nor shall members suffer any loss of pay on days when the employees of the school district(s) to which the member is assigned on that day are not required to report to work due to inclement weather or emergencies. Itinerant staff serving multiple school districts will contact their supervisor and collaborate on the most reasonable location to report to work if emergency closures occur at the site(s) scheduled for the day. The District may arrange for an alternate work location to which the affected employee may be required to report. The District shall have the right to require members to make up the time lost without additional pay as long as the total days worked does not exceed the member's maximum work year days. In the event a school building or the school district to which a member is assigned is closed after the start of the school day, the member shall remain at the workplace until released by an authorized officer of either the local district or the District.
7. When a member believes they have been instructed to perform work under hazardous conditions, they shall have the right to discuss their concerns with their supervisor. After such meeting, if the member still believes conditions are hazardous, they shall immediately notify the Department Director of the hazardous condition. The Department Director will make a determination regarding the member's concern and may refer the matter to the safety committee in the County where the condition exists for review and follow-up. A member may, at any time, bring safety concerns to the safety committee in the County where the condition exists.
8. This Agreement does not guarantee staffing levels.

D. WORKDAY

1. The regular workday shall be eight (8) hours, including a 30-minute duty-free lunch.
2. Time outside the regular eight-hour day necessary for meetings or other scheduled professional obligations shall be kept to a minimum
3. Members may not be required to participate in more than two (2) unpaid evening events per year beyond their scheduled work day. If a component district requests a member's presence at an event that exceeds the maximum of two events, the Human Resources Office must approve the request. If the component district schedule does not adjust for the evening time, the extended duty shall be compensated at the employee's hourly rate.

4. Staff meetings which extend beyond the regular eight-hour day will be kept to a minimum, and may not go beyond 5 pm. No member will be required to attend such staff meetings beyond the workday for more than 2 hours per month. Members will be given at least a one week notice of staff meetings, unless called in response to an emergency.
5. On grading days when the host district allows their employees to work on grades at home, ESD members shall also be allowed to complete their grades at home.

E. SUBCONTRACTED EMPLOYEES

The District's Chief Human Resources Officer shall inform any subcontracted employees that their employment is temporary as described by statute and by the negotiated contract. At the end of 90 workdays, the contracted employee will be offered continued employment as a bargaining unit member. Any contract beyond the 90 day limit shall be considered month to month while the District pursues a member for the position.

ARTICLE 7: FILES

- A. Each employee shall have the right, upon request, to review the contents of their own personnel file exclusive of materials received prior to the date of their employment by the District. Upon request, the employee shall be given a copy of any documents contained in the personnel file. One representative of the Association may, at the employee's request, accompany the employee in their review. Each employee's personnel file subject to review shall contain the following minimum items of information:
 - 1. All employee evaluation reports.
 - 2. Copy of the member's license.
 - 3. Transcript of academic records where issued.
 - 4. District recommendation for contract status.
- B. No evaluation, complaint, or written record of disciplinary action shall be placed in the file until the employee has had the opportunity to review such materials and affix their signature to the copy to be filed. Such signature in no way indicates agreement with the contents thereof. The employee may respond to any item placed in the member's personnel file and the response shall become a part of that file.

ARTICLE 8: PAID LEAVES

A. SICK LEAVE

1. Accrual

In accordance with [ORS 332.507](#), each member shall be allowed ten (10) sick leave days at full pay during the school year, or one day per month, whichever is greater. Paid sick leave days will be credited to members employed or on paid status only part of the school year on a prorated basis; the value of sick leave used in excess of entitlement shall be deducted from the member's paycheck. On or before November 1 of each new school year, each employee shall receive a statement of accumulated sick leave days. Any individual who leaves employment with the District having used more sick leave than was actually earned as of the date the employee left employment shall have the value of the used but unearned sick leave withheld from their final paycheck.

2. Carry Forward

Pursuant to [ORS 332.507](#), a member who has completed thirty (30) days of service with the District and who has accumulated sick leave during employment in another Oregon school district shall, upon proper verification, be credited with the number of sick leave days so accumulated by the previous employing school district.

3. Use

- a. Accrued sick leave can be used to maintain the member's salary during periods of personal illness, or the illness of a child under 18 living in the member's home. After 5 consecutive days of personal illness, the employee will be required to obtain a doctor's release to return to work.
- b. A member's accrued sick leave may also be used under Family Medical Leave Act/Oregon Family Leave Act (FMLA/OFLA) for: Sick Child, Illness in Family, Parental Leave, Bereavement Leave, Military Exigency, and other leaves as defined in [ORS 659A.270 - 659A.285](#).
- c. Under [ORS 653.601-661](#), "Sick Time", a member may use 40 total hours of their accrued personal Sick Leave to care for a sick family member(s) before being required to complete FMLA/OFLA application. Members will be required to complete FMLA/OFLA paperwork for the determination of eligibility to use leave for these purposes in excess of a total of 40 hours for all use related to any "family member(s)".
- d. "Family member" is defined in statute as the employee's:

B. BEREAVEMENT

1. Each member shall be granted up to five (5) paid days leave of absence per occurrence, non-accumulative, in the event of the death of a member's immediate family. This includes:
 - a. member's spouse/domestic partner (same or opposite sex)
 - b. the member's or member's spouse's/domestic partner's parents

1. Performance of all members shall be evaluated in writing. Probationary members shall have multiple observations with an annual evaluation. Contract members shall be evaluated on a frequency determined by the evaluation procedure.
2. Evaluations of instructional performance shall be based, among other factors, on the supervisor's personal observation. The supervisor will provide feedback to the member within fifteen (15) calendar days of an observation, or within another time frame mutually agreed to by the supervisor and member.
3. Any member whose competency or performance is determined to be in need of improvement shall be so notified in writing with the particular deficiencies identified. Suggestions for improvement shall be given in writing.
4. For contract members who demonstrate deficiencies in work performance which are subject to improvement through assistance, a program of assistance for improvement will be done prior to dismissal or final non-renewal action and shall be based on the listed statutory grounds for termination.
5. The written evaluation document will be given to the member in a meeting with the supervisor at which it is discussed. If the document is revised as a result of that meeting, the final evaluation document will be given to the member within ten (10) days of that meeting. The member will sign one copy of the evaluation document and return it to the supervisor, and will retain a copy for the member's records. In the event that the member feels that the evaluation was incomplete or unjust, they may put their objections in writing and have them attached to the evaluation report to be placed in their personnel files.

ARTICLE 20: VACANCIES, ASSIGNMENTS AND TRANSFERS

A. DEFINITIONS

1. Vacancy shall mean an unfilled position for which no member returning from leave or layoff has been assigned.
2. Assignment shall mean the specific license-required services to be provided in a given location and/or program.
 - a. Location shall mean the county in which services are provided (members may be assigned to programs in more than one county).
 - b. Examples of "Program": Autism Spectrum Disorders services; Department of Schools Programs (e.g. Levi Anderson, Cascade Academy, Pacific Academy, DTP); Deaf/Hard of Hearing programs (classrooms and itinerant services); Speech Language Pathology services; Vision services; AC/AT program; Early Intervention/Early Childhood Special Education (EI/ECSE) programs (includes home visits, classrooms, and community).

4. District Initiated Transfer shall mean:
 - a. Change of assignment initiated by NWRESD during the regular school year.
 - b. An assignment for the following year, made by June 10, from one program to another or to a different county.

B. VACANCY

Whenever the District decides to fill a vacancy or new position in the bargaining unit during the scheduled school year, the District shall announce vacancies and new positions on the NWRESD website and online application system, and will notify the Association president in writing of the opening including a job description. Such vacancy or position shall not be filled before eight (8) calendar days have elapsed from the date of publication and posting. This posting requirement shall not apply to temporary positions.

C. ASSIGNMENT

1. All members shall be notified by June 10 of their tentative assignment and work calendar for the following school year. In the event a change is made after June 10, the member shall be notified in writing of such a change.
2. Members newly hired into the District shall be notified of their tentative assignment and work calendar for the following school year.

D. MEMBER INITIATED TRANSFERS

1. The Board recognizes that it is desirable in making assignments to consider the interests, aspirations, and length of service of its employees.
2. A request by an employee for transfer to a different assignment when a vacancy exists shall be made in writing to the Human Resources Office.
3. The request shall set forth the reasons for transfer, the school, grade, or position sought, date of hire, and the member's academic and/or related job qualifications.

E. DISTRICT INITIATED TRANSFERS

1. District initiated transfers may be required by changes in staffing needs for various reasons such as, but not limited to, program reconfiguration, staff realignment, changes in enrollment, and program requests from local school districts.
2. Notice of a district initiated transfer will be given to the Association President and affected member as soon as possible. The transfer will be completed only after a meeting between the member, the supervisor, and the Chief Human Resources Officer or designee, at which time the member will be notified of the reason for the transfer.
3. Member(s) being transferred will be informed of all appropriate vacancies known at the time the transfer discussion is occurring. The member's desire to fill an appropriate vacancy shall be granted except in situations where layoff or district request has created a "hold" on a position.
4. No employee will be transferred to a position outside of the member's licensure area.
5. If possible, the member being transferred will be given the opportunity to visit the new assignment prior to the start of the assignment.
6. When a District initiated transfer is necessary, a member's length of service in the District; licensure; residence; area of competence or major or minor field of study will be considered.
7. A member will not be subject to a district initiated transfer more than three times in two years. During layoff situations, this may not be avoidable.
8. The District will provide moving assistance for the member when moving their classroom supplies/materials to the new assignment. Assistance may include providing an additional or trade day to complete moving activities.
9. The member will be given consideration for future vacant positions for which they qualify and apply.

F. TEMPORARY EMPLOYEE HIRE

1. Employees hired into an open position after the beginning of the school year are identified as "temporary employees". These temporary employees are represented by

the Association.

2. Temporary employees who have been in a specific position for more than 90 work days and have received a positive performance review may be hired into the specific position held by that employee unless the position is to be filled by an employee returning from leave or a regular employee being reassigned to the position. If the temporary employee is hired into the position, the position will not be posted. If the position is not filled by the temporary employee, by an employee returning from leave, or by an employee being reassigned, it will be posted.
