6. Collaboration with colleagues
7. Collaboration with parents, families and students

In addition, a successful applicant will have the ability to keep, maintain, and help families keep and maintain, accurate attendance, academic, and behavior records, meet deadlines set forth by the school and district administration, and preserve a high level of ethical behavior and confidentiality when dealing with student, staff and/or parent information.

The district provides professional development opportunities both within and outside of the district.

Teachers may transfer up to 10 years of experience.

Extracurricular opportunities may be available for supervising high school and/or junior high school sports and activities.
