Applications which are forwarded to a school district will remain active at that district for one year. The district will normally keep the application on file for three years. Contact individual districts about procedures for reactivating an application that is more than one year old.

I understand that any omissions on this application may prevent my application from being evaluated or referred to an individual school district. I authorize any school district to which this application is submitted to obtain information about my criminal records. I authorize all governmental agencies to provide information about my criminal records to the school district. I verify that all information on this employment application is true and complete. I understand that any misrepresentation, falsification, or omission on this application or on other documents submitted to the school district will be sufficient cause for this application not to be considered by the school district, not to be referred to a school district, or for discharge if I have been employed.

#### AUTHORIZATION TO OBTAIN AND RELEASE INFORMATION

I authorize any Oregon school district for which I have completed an employment application to check my references, to obtain information from my prior employers and educational institutions, add to take other actions to investigate any information provided in my employment application, and to obtain information relevant to evaluating my qualifications and fitness for a teaching position. I authorize my listed references, past employers and educational institutions, and anyone else who has information about my work history, education qualification or fitness, to provide such information to any school district for which I have completed an employment application. I release the school district and all persons providing information to the school district from any liability whatsoever for obtaining and providing that information, regardless of the results.
