

BURNT RIVER SCHOOL

AN OREGON PUBLIC CHARTER SCHOOL

Summary:

The Multi-subject Teacher for Middle and High School students is responsible for providing instruction in English Language Arts (ELA), Social Studies, and elective subjects to students in grades 7-12. This role involves designing and implementing engaging lessons, fostering critical thinking and analytical skills, and promoting a positive and inclusive classroom environment. The teacher will collaborate with colleagues, communicate with parents, and assess student progress to ensure academic achievement and personal growth.

Qualifications:

- Bachelor's degree in Education (or the ability to show progress toward achievement.)
- Valid teaching certification for secondary education (or the ability to receive emergency licensure)
- Comprehensive knowledge of the subject matter and relevant curriculum standards
- Familiarity with effective instructional strategies for diverse learning styles and abilities
- Excellent communication and interpersonal skills
- Strong organizational and time-management skills
- Ability to integrate technology into instruction

Work Experience & Skills:

- Proven experience in teaching middle and/or high school students
- Expertise in English Language Arts, Social Studies, and/or elective subjects
- Experience in designing and implementing engaging and differentiated lessons
- Proficiency in assessing student performance and providing timely feedback
- Ability to manage classroom behavior and create a positive and inclusive learning environment
- Collaborative experience working with colleagues, parents, and administrators
- Ability to develop and deliver engaging and comprehensive lesson plans
- Effective use of instructional strategies that promote critical thinking and analytical skills
- Skill in integrating technology and digital resources into instruction
- Excellent communication skills for interacting with students, parents, and colleagues
- Strong classroom management and behavior support skills
- Ability to adapt teaching methods to meet the needs of diverse learners.
- Proficiency in assessing student performance and providing constructive feedback

Responsibilities & Essential Functions:

- Design and implement comprehensive and engaging lesson plans aligned with curriculum standards.
- Provide instruction in ELA, Social Studies, and elective subjects to middle and/or high school students.
- Foster critical thinking, analytical skills, and creativity through challenging and thought-provoking activities.
- Assess student understanding and progress through various formative and summative assessments.
- Provide timely and constructive feedback to students to support their academic growth.
- Collaborate with colleagues to align curriculum, share resources, and enhance instructional practices.
- Utilize technology and digital resources to enhance teaching and learning experiences.
- Create a positive and inclusive classroom environment that supports student engagement and participation.
- Communicate regularly with parents to provide updates on student progress and address concerns.
- Participate in staff meetings, professional development sessions, and parent-teacher conferences.
- Stay updated on current educational research, trends, and best practices in the subject areas being taught.
- Adhere to school policies and procedures, including maintaining accurate records of attendance, grades, and student progress.
