3. Ability to establish positive relationships with students, staff, and parents from diverse cultures and backgrounds.

PREFERRED QUALIFICATIONS:

1. Prior successful experience teaching students with disabilities in a variety of settings.
2. Experience developing legally compliant Individual Education Plans.
3. Experience conducting Functional Behavior Analyses and writing effective Behavior Support Plans.
4. Experience creating and using visual schedules and teaching functional routines.
5. Proficient in Trauma Informed Practices and Social Emotional Learning (SEL) strategies.
6. Proficient in the use of educational technology systems.

SUMMARY OF ESSENTIAL DUTIES AND RESPONSIBILITIES:

1. Use multiple sources of information to develop comprehensive understanding of students' strengths and needs.
2. Collaborate with school personnel and family members to systematically design specialized instruction for students with disabilities in identified areas of need.
3. Work in partnership with school personnel to provide instructional and developmental supports for students with disabilities in a variety of settings.
4. Establish and maintain a consistent, organized, respectful and effective learning environment
5. Monitor student progress regularly and provide written reports of progress toward IEP goals to parents in accordance with the District's schedule.
6. Establish and maintain open lines of communication with students, staff and families concerning students' progress towards their individual goals.
7. Serve as case manager for students eligible for special education and related services.
