About Mosier Community School

Mosier Community School (MCS) is a public K–8 charter school located in the heart of the Columbia River Gorge. We are a small, community-centered school that values kindness, courage, and leadership. Our educators engage students in place-based learning, outdoor education, and hands-on experiences that build curiosity, wellness, and a sense of belonging.

Position Overview

MCS is seeking an enthusiastic and dedicated Physical Education and Health Teacher to provide engaging instruction for kindergarten through eighth-grade students. The ideal candidate will inspire students to develop lifelong fitness habits, positive social skills, and personal responsibility for health and well-being.

Responsibilities

- Plan and deliver standards-based PE and health lessons for grades K–8.
 - Foster a safe, inclusive, and positive environment for all students.
 - Design developmentally appropriate activities that promote physical literacy, teamwork, and sportsmanship.
 - Incorporate health and wellness topics such as nutrition, personal safety, mental health, and physical fitness.
 - Collaborate with classroom teachers and support staff to integrate health and movement into the broader school program.
 - Support school wide events such as field days, community fundraisers, and student wellness initiatives.
- Maintain accurate student records and assessments aligned to Oregon standards.

Qualifications

- Oregon Teaching License with PE/Health endorsement (or eligibility to obtain one).
- Experience teaching elementary and/or middle school students preferred.
- Bi-lingual speaker (Spanish) is desired.
- Strong classroom management and communication skills.
- Commitment to inclusion, equity, and culturally responsive practices.
- Ability to create engaging, hands-on lessons that meet diverse student needs.

Preferred Skills

- Experience with outdoor education or adventure-based activities.
- Knowledge of trauma-informed and SEL (social-emotional learning) practices.
- Interest in collaborating on place-based, interdisciplinary projects.

Application Process
