Job announcement

Superintendent

At Central Kitsap Schools, we are proud of our programs and traditions. Our 19 schools are special and unique, just like our 11,400 students. Their success is at the heart of all we do. We encourage innovation, and we care for our employees so they can inspire growth in their students and each other.

Our community has a history of support for education. We have had a levy in place for more than 20 years, and our bond is funding several large construction projects. Generations of families have an attachment to our schools; we also have a large number of newer residents. We are home to Naval Base Kitsap, and about half our students are federally connected. This mix keeps our district diverse, exciting and strong.

We also enjoy stunning scenery and a balanced lifestyle. You will find vibrant retail areas, excellent recreation and affordable housing. Inside and outside, there is lots to love about Central Kitsap Schools!
