The grade comes from the Reporting Standards, which includes summative (end of learning) scores.

These are general categories for reporting student learning for this course. These come from the Oregon State standards.

These scores let you know your child's progress towards meeting the standards.

NI= Needs Improvement
MS= Meets standard

We know that behavior impacts a student's grades. These standards let you know about your student's behavior while they are learning, in areas like study skills, effort, work habits, class participation, attendance, punctuality, and turning in assignments.
